## **We are moving – Relocation of Karl Schermer GmbH & Co. KG**

Dear Clients and Customers,

You know Karl Schermer GmbH & Co. KG as a competent supplier and partner for animal welfare-friendly slaughter animal stunning, cable spiking devices, economical sprays and coaxers.

Karl Schermer has been developing and producing innovative products for over 100 years. Experience, competence, craftsmanship and quality "Made in Germany" have always distinguished our company.

After its foundation in Karlsruhe in 1896 – the company moved 1974 to Ettlingen and then transitioned to the FREUND business group in 2018 - the next milestone in the company's development is now coming up.

**While the company's headquarters remain at the well-known address in Ettlingen – areas such as production, logistics and order processing will be relocated to Paderborn in the fourth quarter of 2020. Looking forward into the future a larger team will be at your disposal. As a customer, you benefit in particular from the centralization of internal work processes and the efficient order processing, for which FREUND Maschinenfabrik GmbH & Co. KG is known.**

For you as a customer, there are hardly any changes. As usual you may place your orders in 2021 by phone or contact us via the well-known e-mail address:

E-Mail: [info@karl-schermer.de](mailto:info@karl-schermer.de)

Phone.: +49 7243 5807 -0.

Please accept our offer to transfer your orders and those still open as of 31st December 2020, which are due for delivery after 01st January 2021, to the FREUND Maschinenfabrik GmbH & Co. KG in Paderborn. As far as technically possible, conditions and other agreements remain.

Do you have any questions? Well-known and new names of contact are here for you:

### **Sabine Knebel**

E-Mail: [s.knebel@karl-schermer.de](mailto:s.knebel@karl-schermer.de)

Phone: +49 7243 5807 - 0 oder -12

as Brand Manager will be responsible for the development of the Schermer brand. She is the first point of contact for your enquiries.

### **Karlheinz Jelinek**

E-Mail: [k.jelinek@karl-schermer.de](mailto:k.jelinek@karl-schermer.de)

Phone: +49 7243 5807-13

after 46 successful years in the company, in which he has provided outstanding services in customer support, he will now slowly pass on the baton. Saying that, he will still be available as a contact person in 2021, though in a reduced time frame.

### **Peter Eschenbeck**

E-Mail: [pe@freund.eu](mailto:pe@freund.eu)

Phone: +49 5251 1659-56

will take up the post as product manager for all Schermer devices. He will continue also in future to answer your technical questions about Schermer products and we are pleased to work with him to drive the further development of the product portfolio.

### **Tobias Hübler**

E-Mail: [th@freund.eu](mailto:th@freund.eu)

Phone: +49 5251 1659-65

will be there for you as specialist for integration and order processing within the FREUND internal service department.

### **Robert Freund**

E-Mail: [rf@freund.eu](mailto:rf@freund.eu)

Phone: +49 5251 1659-0

in the role of Managing Director.

Your contracting partner will not change until 1st January 2021. We will provide you with the new data in due time. We will ask you at a later date to transfer all current orders to FREUND Maschinenfabrik GmbH & Co. KG.

At this point, we would like to thank all our customers and business partners for their loyalty.

We hope that you will continue to trust the Schermer brand under the umbrella of the FREUND Machine Factory and look forward to keep a great and successful cooperation.

Robert Freund  
(Managing Director / Sole Shareholder)

Stunner Experts since 1896

Group-Member of

For more than 100 years, FREUND has been developing and producing machines and equipment for the humane and economical meat production and cutting. Numerous patents and trademarks have established the technological leadership of the manufacturer of "German Quality Slaughter Tools". Sustainable profitability backed by a strong worldwide on-site service is of particular importance to FREUND. With around 140 employees worldwide, FREUND is one of the world's leading manufacturers in this market segment with its own branches in the United Kingdom, Spain, China, Latin America and Russia
